

Knapp Manufactures
ALL
Types of Utility Pigs

Urethane Foam Pipeline Utility Pigs

Polly Pigs

Knapp is the originator of the Polly Pig, urethane foam pipeline cleaner.

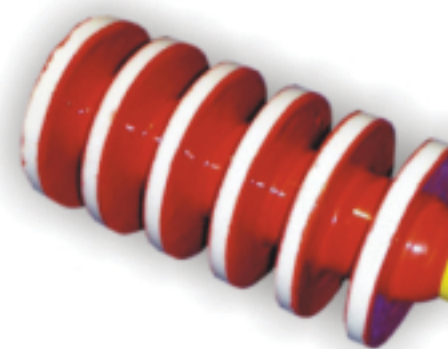

Ultra-Seal Pigs

Knapp's patented Ultra-Seal Pig is the best sealing pig on the market.

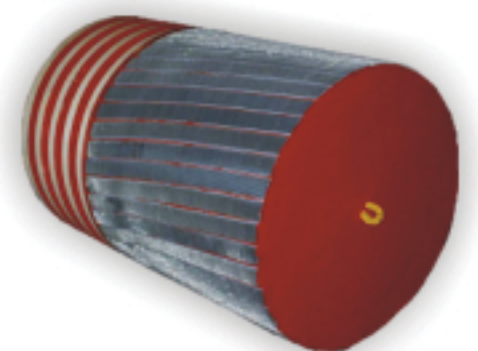

Ultra-Seal Lite Pig

Knapp's patented Ultra-Seal Lite Pig is highly acclaimed for its' sealing ability in multi-dimensional pipelines.

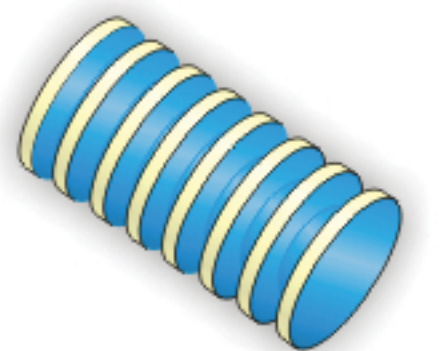

Hand-Launch Pig

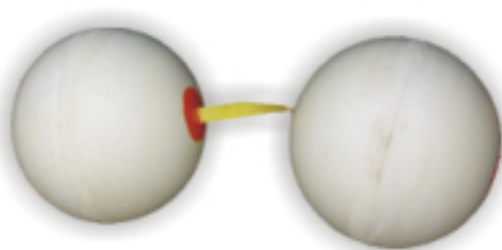

Custom Foam Pigs

Knapp manufactures custom-designed urethane foam pigs for specific applications where dimensions and design of ordinary pigs just won't work.

Polly Disc Pig

Originally known as the "Polly Sheep Pig" after its' resemblance to a Sheep's foot roller, Knapp has manufactured the foam-bodied Polly Disc Pig since 1988.

Foam Sphere Pigs

Knapp manufactures a complete line of urethane foam spheres from bare foam spheres of various densities to those coated with urethane elastomer or silicone carbide chips.
